Mr. DAVIS of North Carolina changed his vote from “no” to “aye.”

So the amendment was rejected.

The result of the vote was announced
 as above recorded.

PERSONAL EXPLANATION

Ms. SCHRIER. Mr. Chair, due to illness, I was unable to be present today. Had I been present, I would have voted: “nay” on rollcall No. 134, “nay” on rollcall No. 135, “nay” on rollcall No. 136, “yea” on rollcall No. 137, “nay” on rollcall No. 138, and “yea” on rollcall No. 139.

Mr. COMER. Mr. Chair, I move that the committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. HUNT) having assumed the chair, Mr. MOOLENAAR, Acting Chair of the Committee of the Whole House on the state

of the Union, reported that that Committee, having had under consideration the bill (H.R. 140) to amend title 5, United States Code, to prohibit Federal employees from advocating for censorship of viewpoints in their official capacity, and for other purposes, had come to no resolution thereon.

CELEBRATING THE 100TH BIRTHDAY OF OLA COX

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to celebrate the 100th birthday of Ola Cox.

Ola is a lifelong resident of Venango County, Pennsylvania, where she continues to make history in her own right over the last century. She has broken gender barriers, supported community endeavors, and brought a global perspective home.

Born in Pittsville, Pennsylvania, Ola graduated high school at 16 years old and enlisted in the Navy WAVES. After returning from naval service during World War II, she married Lester "Boone" Cox and started a family.

Ola continued to break gender barriers as a working mom beside her husband at their Franklin Print Shop. In Ola's 100 years of life, she has countless stories, from their working farm to raising four children.

Following her time in the print shop, she worked at Oakwood Rose Gardens, served as the township tax collector, and frequently volunteered in her community and with her church, the Rockland Methodist Church. She also traveled the world.

Mr. Speaker, Ola is a dedicated wife, mother, grandmother, and great-grandmother. She cared for her dear husband and spent countless hours with her children and great-grandchildren so they could learn and understand the importance of family, community, and the world.

I thank Ola for her service to our country and her dedication to our community.

CELEBRATING COLORECTAL CANCER AWARENESS MONTH

(Mr. PAYNE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. PAYNE. Mr. Speaker, I rise today to celebrate March as National Colorectal Cancer Awareness Month.

Colorectal cancer is the second leading cause of cancer deaths nationwide, according to the Centers for Disease Control and Prevention.

This year, more than 153,000 Americans will be diagnosed with the disease, and more than 51,000 people will die from it. Yet, if we catch it early, 90 percent of patients can survive within 5 years.

The key is awareness and education. If we can educate more Americans

about colorectal cancer, we can limit the number of deaths from it. We can remove the fears and stigmas that prevent people from getting screenings.

It is 11 years, 2 days ago, on March 6, that I lost my father, Congressman Donald Payne, Sr., to colorectal cancer.

If more people get screened, we can prevent more families, more fathers, more mothers, more sisters, and more brothers from succumbing from the dreaded disease.

PARENTS HAVE SACRED ROLE IN RAISING THEIR CHILDREN

(Mr. LAMALFA asked and was given permission to address the House for 1 minute.)

Mr. LAMALFA. Mr. Speaker, parents have a God-given right and role in the raising of their children.

When they send their kids to the public schools, they expect the schools to deliver a quality education to their children in order to prepare them for success in the future. Unfortunately, government schools have abused this trust and have been indoctrinating children with far-left lies and poisoning their minds with woke gender ideology.

School administrators and teachers unions seem to think they own America's children, that they alone have the right to decide what these children think and believe, and that they alone should be the sole authority in a child's life.

Schools across this country have been caught trying to convince vulnerable teenagers that their bodies are wrong, filling their heads with lies and convincing them to see their parents as enemies. This line of thinking is morally wrong.

In my own district, a school district is being sued by a parent for secretly changing her daughter's pronouns and identity without her parent's knowledge or consent. Woke administrators have no moral authority to experiment with children's minds in this way.

Parents have a moral right to be involved in their children's education and should never be kept in the dark about issues that their child is going through at school.

Congress must take action to enshrine parental rights over their children.

CONGRATULATING EWING TOWNSHIP GIRLS' BASKETBALL CHAMPIONSHIP

(Mrs. WATSON COLEMAN asked and was given permission to address the House for 1 minute.)

Mrs. WATSON COLEMAN. Mr. Speaker, I rise today to congratulate my alma mater, Ewing High School, on winning the NJSIAA 2022-2023 Group 3 girls' basketball championship—and their first State title in 24 years.

Their hard-fought victory comes after months of diligent work, consistent growth, and exceptional achievement.

I hope this big win instills in them the confidence and determination to succeed in any challenge that comes their way. There is no obstacle that these young women cannot overcome.

I hope head coach Dan Montferrat and the girls' basketball team are celebrating their accomplishment and enjoying this exciting time.

I wish Ewing High School all the best, and, as always, go Blue Devils.

OUR SOUTHERN BORDER

(Mr. BEAN of Florida asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BEAN of Florida. Mr. Speaker, over the weekend, I had the chance to visit the southern border for the very first time. It was truly educational.

I thank the people of southeast Texas who showed me the true impact of what it means to have an open border.

President Biden and his administration officials continue to tell the American people that the border is secure.

Tell that to the families of two Americans who were killed this week by a Mexican cartel.

Tell that to the record number of parents who have lost kids to fentanyl that was brought over the border.

Tell that to the countless public officials we met on that trip who were pleading with us to say that they are just overloaded. Their facilities are overcapacity, and they need help.

Mr. Speaker, I have been to the border, and tonight I am here to tell you that it is not secure.

Mr. Speaker, you know that it is not just a Texas problem; it is America's problem. We need to secure the border. Our national security depends on it.

INTERNATIONAL WOMEN'S DAY TRAILBLAZER: BESSIE COLEMAN

(Mr. DAVIS of North Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of North Carolina. Mr. Speaker, I rise today on International Women's Day to honor a trailblazer.

Mr. Speaker, Bessie Coleman inspired women to reach for their dreams just as she did soaring through the skies as the first African-American and first Native-American woman pilot. She continued to follow her dreams no matter how often those around her told her not to or to find a different path.

She wanted to be a role model so that future generations of women are inspired to accomplish whatever they set their minds to accomplish.

Because of Ms. Coleman, 21 women at Elizabeth City State University, located in my district, now have hands-on flight simulation, interactive panel
